

**SALES TAX FOR
SOLDIER BONUS,
HARDING'S PLAN**

President Gives Views in Letter
to House and Senate
Chairmen.

WILY PRACTICAL MEANS

By Associated Press.
WASHINGTON, Feb. 16.—President Harding informed Congress today that he considered a general sales tax the most feasible method of raising funds for a soldier bonus.

The executive, in a letter to Chairman Fordney of the House Ways and Means Committee and Senator McPherson of the Senate Finance Committee, said that unless Congress saw fit to enact a sales tax, passage of the bonus legislation should be temporarily postponed.

"I believe," the President wrote, "the American people will accept the levy of a general sales tax to meet the proposed bonus payment and we should contribute thereby no added difficulty to the problems of readjustment. If Congress will not adopt such a plan it will be wise to let the nation go over until such time as will justify a large outlay."

WASHINGTON, Feb. 16.—An enactment of a sales tax as the only practical means of raising money for the soldier bonus was stated to be the view of President Harding by Representative Longworth of Ohio, a Republican member of the House Ways and Means Committee after a call to the White House.

NEW YORK, Feb. 16.—President Harding was landed by officials of the House Budget Committee for having "squarely up to Congress the question of raising money to pay the soldier bonus."

It was the first time a President had stated that Congress assume some responsibility, said John T. Pratt, chairman of the budget committee, at a luncheon meeting. He urged that Congress raise the money it is asked to spend, making that body responsible.

Consequently, said members of the committee, the question asked of Congress would not be "how much money did you get for your constituents?" but "how much money did you get for the nation?"

The committee, formed to aid in raising the government on a basis of economy and economy, will hold its session here April 18 and 19, as announced.

**Rail Experts Have
New Plan to Save
Millions Annually**

By Associated Press.
WASHINGTON, Feb. 16.—Experts of the National Association of Owners of Railroad Securities outlined to Interstate Commerce Commission a plan for controlling railroad investment purchases, an operation they said would save annually more than \$300,000,000.

Details provided for the organization a central agency under the supervision of the commission to purchase a large proportion of the light cars now owned by the roads. The organization would arrange for repairs and rebuilding of all bad cars, build new ones and manage the stock of refrigerator, tank and other cars of special design, and use them to the roads for carriage freight.

**Never Considered
Rail Credit Plan
Mellon Declares**

By Associated Press.
WASHINGTON, Feb. 16.—Secretary Mellon was said today to be opposed to the suggestion attributed to Secretary Hoover that the status of the roads should be improved through government credit to the railroads. Mr. Mellon announced that newspaper reports to the effect that he approved of the plan to give government guaranty to issues of equipment obligations by railroad companies are entirely without foundation.

"No such plan has, in fact, ever been presented to the treasury for consideration," the statement added.

**Another Very
Severe Quake
Is Recorded**

By Associated Press.
WASHINGTON, Feb. 16.—An earthquake described as "very severe" was recorded on the seismograph of Georgetown University last night. The tremors began at 10:32 o'clock and lasted until 11:10.

Hearings Postponed.
The hearing for John Barnes, city treasurer, suspended by Mayor Mitchell, scheduled to take place last night in city hall, was postponed because a member of council were absent and there was also a large crowd of spectators in the council chamber.

**Mont McCormick Arrested
Following Robbery of Car
In B. & O. Yards, Uniontown**

A watchman walking through the Baltimore & Ohio freight yards in Uniontown this morning espied a case of cigars on a platform. Scouting a robbery he notified the officers and an effort was made to corral the thieves. The officers were detected, however, and the men, two of whom were seen, ran away from a car, the door of which had been forced. The officers fired and heard a groan and later found a trail of blood but both escaped.

An empty automobile belonging to

Mont W. McCormick was found standing nearby. It is believed the robbers had made one trip to the car and were about to load up again when discovered. Fifteen cases, containing 750 cigars, of cigarettes were missing. McCormick was arrested during the forenoon and a charge of receiving stolen goods made against him. He was released under bail for a hearing. Captain R. C. Bledsoe of the railroad police force in Connellsville is conducting an investigation.

**BAKER ASKS PROBE
OF FAKE TELEGRAM**

Names of Philadelphia Women
Signed to Negro
Endorsement.

By Associated Press.
PHILADELPHIA, Feb. 16.—The sending of many fake telegrams and letters to President Harding from Pennsylvania has caused W. Harry Baker, secretary of the Republican State Committee, to seek an investigation by the federal district attorney.

Mr. Baker revealed today that fraudulent telegrams had been sent purporting to endorse the candidacy of J. C. Overton, negro head waiter of the West Philadelphia Hotel, for appointment as register of the United States Treasury. The telegrams bore the names of Mrs. George Wharton Pepper, wife of Senator Pepper, Mrs. John Wanamaker, III, Mrs. Baker and others. Baker said that none of the persons knew anything about the telegrams.

Mrs. Wanamaker said she had received a letter from George Christian, secretary to President Harding, in which he acknowledged the receipt of an endorsement from her for Overton and also of a joint telegram from her, Mrs. Pepper and Mrs. Charles P. Brown of Philadelphia endorsing the negro.

Mr. Baker recalled that recently similar telegrams were sent to the President and Senator Pepper asking that appointment of a state prohibition director be deferred.

**Receiver Asked
For Maintenance
Of Way Union**

By Associated Press.
TOLEDO, O., Feb. 16.—Appointment of a receiver of the United Brotherhood of Maintenance of Railway Employees and Shop Laborers, is asked in a petition filed in federal court yesterday by Bacon Brothers Company of Toledo, it became known today.

The petition asks that the receiver take possession of all property of the brotherhood within the jurisdiction of this court including all money on deposit in the Brotherhood of Locomotive Engineers' Cooperative Bank in Cleveland and that a restraining order be issued restraining E. P. Grable, individually and as president of the order from withdrawing any of the funds of the brotherhood on deposit in the Cleveland bank. Judge Killits, who issued the order ordered the defendants to appear before him February 24 to show cause why a receiver should not be appointed.

DETROIT, Feb. 16.—The move to place the United Brotherhood of Maintenance of Way Employees and Railway Shop Laborers in receivership is "part of the old conspiracy," E. P. Grable, president of the organization, declared today. He declined to amplify this, saying a statement might be given out later, after consultation with other grand officers.

**Business Conditions
Better; Improvement
Said to Be General**

By Associated Press.
WASHINGTON, Feb. 16.—Business conditions throughout the country are better than a year ago in the view of treasury officials, who declared, however, that the improvement has been gradual and there was no immediate prospect of a sudden pick-up in business activities.

Some reasonable activity might be looked for in the spring, they asserted, but in general only gradual betterment was to be looked for.

PITTSBURGH, Feb. 16.—Crawfish Steel Company of America was awarded \$27,000 by a jury in court here today. The company brought suit against the city for \$292,318 alleged damages to its mill property when the city widened a street and raised it above the Monongahela river flood level.

**YANK FORCE IN
GERMANY GIVEN
FURTHER SLICE**

By Associated Press.
WASHINGTON, Feb. 16.—An immediate further reduction of 203 officers and 3,000 men in the American forces in Germany was announced today by the War Department. There will be remaining in Germany after this reduction a total of 269 officers and 2,217 men.

**West Penn Patrons
At McKeesport Get
Transfers, Sell Them**

The West Penn Railways Company is having trouble with its transfer patrons at McKeesport. It is alleged that wholesale defrauding of the company by the sale or interchange of transfers is being carried on and an investigation is being conducted. Inquiry at the local offices revealed that no serious trouble of this kind was being encountered through the coke region, although there are sometimes isolated cases.

The practice in McKeesport, it is said, is due to increased fare rates. It is alleged patrons ask for transfers and then sell them to other persons or give them away. Thus, it is claimed, is being practiced on a large scale. Such action is prohibited by law.

At the local offices it was said the trouble was chiefly confined to larger cities where transfer points are more frequent than through here. Occasionally someone is caught giving a transfer to another person but such cases are infrequent. The most serious trouble along this line has been at Mount Pleasant, and that not recently.

Cards will be placed in the cars advising patrons that unless the practice ceases prosecutions will be instituted.

**Conway, Greaves
Re-appointed On
Ninth Dist. Board**

In accordance with an act of assembly, the court yesterday appointed members of several examining boards for mine foremen, assistant mine foremen and fire bosses in this district. In the 11th Bituminous District, M. A. Burriss and George Carr of Phillips were appointed to represent the miners and superintendents and coal operators, respectively. Their time had expired.

In the Ninth Bituminous District James Conway and J. W. Greaves of Dunbar township were appointed to represent the miners and superintendents and coal operators, respectively. Their time had also expired.

In the 23rd Bituminous District Michael Hurley, Sr., of Uniontown was appointed to represent the miners. His time having expired, and John C. Blaney of Greensburg was appointed to represent the superintendents and coal operators to fill a vacancy caused by the resignation of D. K. DePriest of Masontown.

Senate Committee Would Visit Muscle
Shoals, Ala.

By Associated Press.
WASHINGTON, Feb. 16.—The Senate Agricultural Committee today asked the Senate in a resolution to visit the Muscle Shoals Power and Nitrate project in connection with the committee's consideration of Henry Ford's offer to lease the property.

The resolution, which proposed that all 17 members make the trip was referred to the auditing committee because of the expenditures that would be entailed.

**NEXT FLOOD WILL
MAKE NOAH'S LOOK
LIKE A BROOKLET**

CLEVELAND, Feb. 16.—Top heavy ice in the Arctic will settle and topple the world to such an extent that the oceans will rush over the land, causing a flood which will make the inundation of Noah's time look like a brooklet, "seculist," of this city.

That threat is 300 years distant so it is nothing to write home about at this moment.

**U. S. RESERVES TO
BE ORGANIZED AS
PART OF THE ARMY**

Will Form the 89th Division
With Headquarters in
Pittsburg.

LOCAL OFFICERS IN IT

Major Frank M. Jewett of the United States Army, chief of staff of the 99th Division United States Reserves, was in Connellsville yesterday securing information as to the present whereabouts of reserve officers and other matters in connection with the organization of the division.

The 99th Division, which embraces that part of the Third Army Corps Area west of the Susquehanna river, will be made up of the organized reserve which constitutes one of the three parts into which the military forces of the United States are now divided, the Regular Army and the National Guard of the several states, being the other two parts. When the check of all reserve officers in the district has been completed the skeleton of the divisional organization will be made. Officers will be assigned to the several units which, should an emergency arise requiring the use of a large military force, will be completed by the enlistment or draft of men to bring them up to the authorized strength. Additional officers that may be needed from time to time will be provided from the Reserve Officers Training Corps at the colleges where military instruction is required of students. Graduates of this course are commissioned second lieutenants in the reserve and will be assigned to the units as required to keep the organization intact.

The headquarters of the 99th Division are in Pittsburg at which place Major Jewett is stationed.

Among the officers who went out from this section during the war and joined the reserve are William J. Davidson, a lieutenant of engineers, and Levi H. Smith, a lieutenant in the quartermaster's department. These and other officers in the divisional territory will be assigned to companies and regiments of the division and in case of emergency will be called into service.

**Swine Gland Serum Puts
Pep of Young Heifers Into
Aged Members Dairy Herd**

HARRISBURG, Feb. 16.—Just as the fountain of youth for man was discovered by a French savant in the glands of a monkey, so the scientists of the Pennsylvania Department of Agriculture have discovered that the glands of old dairy cows, continuously browsing in the field and awaiting the call of the butcher's boy, can be made as frisky and full of pep as a young heifer. The discovery, which has been made at the department's laboratory in Philadelphia, will have a far-reaching effect on dairy farming, the backbone of the agriculture of Pennsylvania.

Following the same general principles that were applied in restoring youthful vigor to members of the human family, the experts of the bureau of animal industry of the Pennsylvania Department of Agriculture conducted their experiments with 11 dairy cows of ancient lineage. These cows had apparently outlived their usefulness as assets in a dairy herd and apparently were good for nothing save the abattoir.

A number of glands were fed capsules containing a serum extracted from the glands of vigorous young cows. The results obtained were amazing and in practically every case the vigor and strength of the cows were restored by the extract from the glands. There was danger, however, of the cows becoming infected with tuberculosis or similar diseases from feeding the extract.

A serum was then perfected and this was injected into the cows. This method was attended with complete success. The experiments were conducted over a period of months and a deeper investigation is hoped that the method eventually can be applied throughout the state in replenishing the old and members that otherwise would be consigned to the slaughterhouse.

**Police Lieutenant, Confused
In Answering Call, Mistaken
For Would-Be House Breaker**

Woman Telephone Station,
Gets No Response, Summons
Neighbors.

Unable to secure a response to a telephone call to the city hall, a West Side woman last night called on neighbors for assistance, saying someone was endeavoring to break into the house where she was alone. Hurrying to her aid, three or four men quickly gathered together, discovered the supposed "intruder" was Lieutenant of Police W. B. Bowers. He had left the police station in response to a call, but there being two families of the same name in the neighborhood, got the wrong house.

The officer was aware there was someone in the house to which he had been called and he knocked vigorously to make himself heard. His demands for entrance frightened the woman, who did not know he was an officer. She called the police station, which the lieutenant had just left, but could get no response. Then she called the neighbors.

After the situation had been explained the "rescue party" found that not one of them was armed, all hurrying to the house without thinking of the possible danger of meeting an intruder who might have shot.

**Martha Norton
Class to Attend
Revival in Body**

Announcement was made last evening at the First Christian Church that there will be no Saturday evening service this week and that announcement as to subsequent Saturdays will be made later.

"Christ in the Midst" will be the sermon theme of the evangelist, Rev. C. C. Buckner, tonight at which time the Martha Norton Bible Class will attend in a body. There will be a special musical number by a women's quartet.

Saturday afternoon at 3 o'clock the evangelist will deliver an illustrated talk to young people on "The Bread of Life."

**Revolt Rumored At
Juarez; Soldiers
At El Paso Ready**

By Associated Press.
EL PASO, Tex., Feb. 16.—Five thousand troops at Fort Bliss were being held today for any emergency which might arise along the border. They were mobilized last night when rumors scattered that 3,000 men were assembling in the hills south of Juarez and that the Juarez garrison was expected to "revolt."

Juarez military and civilian officials strongly denied each report but admitted they are aware that revolutionists are trying to recruit men in Chihuahua.

DEAD NUMBER 34**

Child Playing in Street This
Morning Killed by
Bullet.

WOUNDED TOTAL IS 114

By Associated Press.
BELFAST, Feb. 16.—The authorities today commended Ulster Hall, the commodious structure on Bedford street ordinarily used for concerts and assemblies, for the use of troops engaged in combatting the disorders here. Up to 1 o'clock this morning the casualties had reached a total of 114, with deaths numbering 34.

The day opened with the death of a five-year-old child who was struck by a bullet while playing in the street. A workman along Seaford street, in the Bally Macneil area, was shot dead. Youthful gunmen held up workers in the Low Market district and wounded one of them.

**MOUNT PLEASANT
GUARDSMAN FOUND
NOT GUILTY; INSANE**

Judge Copeland Sentences Benjamin
D'Alessio to Asylum.

Wayne County.
GREENSBURG, Feb. 16.—Benjamin D'Alessio of Mount Pleasant, who stabbed Vincent Catalucci with a bayonet August 11, 1921, at Mount Pleasant, causing Catalucci's death, was found not guilty of murder by reason of insanity by a jury which heard the case in Judge C. D. Copeland's court.

D'Alessio and other witnesses had testified that the defendant had stabbed Catalucci after the latter had made insulting remarks about the United States uniform, which D'Alessio was wearing at the time. He was a member of Company E, 110th Infantry, and with other members of the company was preparing to go on a hike.

After his attorneys had a conference, Judge Copeland sentenced the prisoner to the state institution for the criminal insane. A few weeks' such time as the authorities of the institution may find that the young man is of sound mind.

The following is a list of the jurors who heard the testimony and the evidence at the trial: M. A. Yost, North Huntingdon township; H. D. Wigle, Washington township; John Paul, New Kensington; George Braden, Derry township; John Zimmerman, Greensburg; Ralph Evans, Salem township; Frank B. Howash, North Huntingdon township; Alfred Travis, North Huntingdon township; J. E. Springer, Acme; J. L. Snyder, Derry; Gust Peterson, Scottdale, and James Kimmel, Acme.

**Legion Follies
Will Be Shown at
Scottdale Saturday**

Two packed houses were present for both matinee and evening performances of the Legion "Follies of '22," given at the Soloson Theatre yesterday. The show went over with a bang and vigor which made it far more enjoyable than when first presented.

In the afternoon a reduced rate for school students prevailed and the attendance was so heavy that Elv Chief W. E. DeBolt had to stop the sale of tickets. A crowd which filled the lobby and overflowed to the streets was unable to see the play. Last night the house was also practically sold out.

On Saturday evening the "Follies" will be shown in Scottdale. This announcement was made last night by John R. Brown, director.

Y. M. C. A. Notes.
The beginning of the new year found activities at the Y. M. C. A. in full swing. Statistics show that all previous records for attendance in gymnasium were broken. At present 15 groups are using it 33 times a week. Several organizations had to be refused the use of the floor. Basketball and volleyball are the leading sports. No less than nine basketball teams are playing. A volleyball league of six teams is playing two match games every week.

The record, show the following attendance for January in gym and pool:
Girls, 250; junior boys, 255; intermediate boys, 195; high school boys, 420; seniors, 260; business men, 145.

Over one thousand games of duck-pins were rolled on the alleys. An effort is being made to organize a league made up of members from the men's Bible classes of the churches.

The following religious and civic organizations use the association for their regular meetings: Ministerium, Scottdale district Sunday School Association, Red Cross, Boy Scouts, Rotary Club, Baby Clinic and League of Women Voters.

Volleyball News.

In three of the most interesting games of volleyball played on the "Y" floor this season, Pittsburgh was from New York, 15-11, 15-14, 15-11.

The next match scheduled is between Boston and Cleveland on Thursday.

Taking Lydia E. Pinkham's

Vegetable Compound

Sabina, Ohio. "I took Lydia E. Pinkham's Vegetable Compound for weakness and irregularity. I was weak and could hardly stand on my feet long enough to cook a meal. I was this way for about a year and had tried several medicines and had a physician, but to no avail. My sister was taking your medicine and finally induced me to try it. I now feel fine and can do my housework without any trouble at all. You can use this letter for the sake of others if you wish."—Mrs. WILSON G. HATFIELD, R. R. 3, Sabina, Ohio.

Housewives make a great mistake in allowing themselves to become so weak and nervous that it is well-nigh impossible for them to attend to their necessary household duties.

Lydia E. Pinkham's Vegetable Compound should be taken when you first notice such symptoms as nervousness, backache, weakness and irregularity. It will help you and prevent more serious trouble. Give it a fair trial. It surely helped Mrs. Hatfield, just as it has many, many other women.

IMPORTANT NEWS

Kobacker's record for value giving for the past 25 years will be more than eclipsed in this Gigantic 30-Day Removal Sale—be sure and come.

Our Lease Expires in Our Building April First—We Must Be Out About Mar. 15th

GIGANTIC REMOVAL SALE

Gigantic \$125,000 Stock Must Be Sold in the Short Time of Only Thirty Days!

THE REASONS—

KOBACKER'S, after 25 years of successful selling in Western Pennsylvania, have built an enviable reputation for underselling and value-giving.

Our building was bought, forcing us in the position to look for new quarters. We are now remodeling the Entire Munson Building, at West Crawford avenue, which promises you a "bigger and better" Kobacker store in the future.

In the mean-while we must sell our present stock of goods, almost at any price, in order to move successfully into our new quarters.

(Signed) KOBACKER'S.

KOBACKER'S Store is closed Wednesday and Thursday and will open Friday, February 17th, with a gigantic Removal Sale.

We must vacate March 15th to April 1st, therefore it is necessary to close out our entire stock and fixtures before we move. Nothing in the store will be reserved to make this a successful event.

We anticipate thousands of people here from the entire section around Pennsylvania. We invite our patrons to share in the bargain picnic. Bring your baskets to haul away the Bargains. A sale that will long be in your memory. A sale that you won't forget.

THE FACTS—

KOBACKER'S must vacate its present location between March 15th to April 1st. Therefore we are face to face with the gigantic task of disposing of our entire stock of merchandise.

Let us say to you now that nothing will be spared to make this event the most successful undertaking in our history.

Our \$125,000.00 stock of merchandise, of quality that you know to be the finest, will be sacrificed without restriction.

Attend this Sale!

(Signed) KOBACKER'S.

Sale Starts Friday, February 17th—Be Here Early!

**Undoubtely the Greatest Merchandise Sacrifice in the History of Connellsville
A Tidal-Wave of Bargains That Will Swamp the Entire Community**

The History of the Kobacker Store—

The beginning of the Kobacker Store in Connellsville dates back to twenty-five years ago, when Morris and J. I. Kobacker came to Connellsville and opened their first Department Store on the corner of Main and Pittsburg streets, or what is generally known as "Brimstone Corner."

They started in a small way. In those days Connellsville had no paved streets—no street car service and no electric lights, and stores were open from 7 o'clock in the morning until 10 o'clock at night; or as long as there were any customers. The Kobackers could be found in their Store both early and late.

Thru their progressive, straight-forward and honest business methods, the Kobacker Store soon became a popular place and it grew and grew. In a very short time, the name of Kobacker was known by every man, woman and child in this section.

It was only a matter of a few short years when the Kobacker Store had outgrown its quarters on "Brimstone Corner" and they were compelled to look for a new location and more space. It was at this time they moved to the present location on Pittsburg street where they soon became one of Connellsville's largest and best known Stores.

A few years later the Kobackers Store in Mt. Pleasant was opened and then the third Kobacker Store was opened. This was in Greensburg about five years ago.

Now! we are moving to our own building. We are going to open up with everything new. NEW FIXTURES—NEW MERCHANDISE. In order to do this we are going to sell out our entire stock of high grade merchandise at prices that are nothing short of sensational.

It is a sale so broad—so far-reaching that not even this large page can cover its opportunities. Go from Department to Department—on every Floor—and no matter what you want—you will Be Sure to SAVE.

St. Vincents, "Dark Horse," Is Victor Over Snyder Five; Rail Clerks Defeat Legion

Two Bang-up Games Played in
City League at State
Armory.

CHARLEROI COMING HERE

By James M. Driscoll.
More "dope" was spilled last night at the armory in the second set of games played in the City League. St. Vincents, entering the league in the place of the Connellsville Firemen, proved to be a real "dark horse," and trampled all over the crumpled Snyder outfit, composed of players who undoubtedly include some of the best in the city. The final score was 21-11.

The Snyder quintet, worn on the floor in a somewhat crippled condition, with Snell and Hume far below their top form. Guest, the powerful center, was absent last night. On the other hand, the Leislering outfit showed it was some hustler and the team play was pretty to watch. The games were a big improvement over the two openers.

The Baltimore & Ohio Clerks played their usual bang-up game against the American Legion five and although the soldiers had some exceptionally good floor men on their outfit they could not withstand the railroaders' offensive.

Fisher was in unusual form last night and he came in for four field goals. The snappy little guard is a valuable man on the Clerk outfit. Honsberger, coach at Dunbar Township, was at forward for the Legion and he led the soldier attack. The final score was 24-14.

The Legion was weak on shooting from the free line. The Clerks did not show anything extra in this department but had the ex-soldiers been able to cage a few of these losses the game would have been exceedingly close.

The line-ups:
St. Vincents-21 Snyder-21
Alexander F. Hume
Henry F. Wines
Bradley C. Hartman
Snell J. Ruskino G. Moore
Substitutions—Struble for Wines.
Wine for Snell.

Field goals—Hume 4, Alexander 2, Henry 2, A. Ruskino 2, J. Ruskino 2, Bradley, Hartman.
Foul goals—Hume, 11 out of 19; Henry, 13 out of 20.
Referee—Lewis.

The Clerk-Legion game:
Clerks-24 Legion-24
Evans F. Honsberger
Fisher F. Bartley
Sherrick C. Yaw
Hannigan G. Skomp
Robinson C. Cropp
Substitutions—Mullen for Robinson, Robinson for Evans.

Field goals—Fisher 4, Sherrick 3, Robinson 3, Honsberger 3, Bartley 2, Yaw 2, Evans, Hannigan, Skomp.
Foul goals—Evans, 0 out of 3; Hannigan, 9 out of 15; Honsberger, 0 out of 6; Yaw, 0 out of 3; Skomp, 2 out of 14.
Referee—Lewis.

Every one of the 10 men who started in the Clerk-Legion game, with the exception of Cropp, a guard, participated in the scoring.

The score does not indicate the glossiness of the Legion-Clerk game. The railroaders led 14-5 at the close of the first half. Then things tightened up. In the second half the outfit played on an even basis. Each five scored 19 points.

Local Firemen Play Charleroi Lads Tomorrow

The Connellsville Firemen are scheduled to play the strong Charleroi Firemen here tomorrow evening. The game will be played in the Slavish Hall, West Side. The visiting team has an excellent record for the season being defeated only once in 12 games played.

The local firemen have been going good in their recent contests, winning from strong outfits, and expect to show something tomorrow which might be surprising.

The visitors are expected to arrive here in automobiles shortly before 8 o'clock. The preliminary game will be between the Irish Wonders and Boy Scout Troop No. 5.

Somerset Plays Howitzer Team Here Saturday

The Third Battalion Headquarters basketball team of Somerset will play the Howitzer team Saturday evening.

at the state armory, starting at 8 o'clock.
This team recently defeated the Medical Corps five at Somerset by the decisive score of 54-16, and will be out to win again. The armory team, on the other hand, will also be out for a victory to strengthen its standing. The game was scheduled to be played Friday night instead of Saturday, but was postponed by Somerset.

Pitman meets Fireman at the Slavish hall Friday night. It won't be a water battle this time, however.
The next City League games will be played at the parochial school hall Monday. The Casays clash with Trotter and the American Legion plays St. Vincents. Both Trotter and St. Vincents, the out of town teams, have won the games already played by them and each will be accompanied here by a big delegation of fans.

High School will bite off another chunk of the W. P. I. A. League schedule Friday evening. The team goes to Irwin to meet Norwin High. Greensburg is the attraction here Saturday.

The Baltimore & Ohio Clerks and the Fayette Baking Company, the Methodists and the Baptists will clash in the "Y" League at the B. & O. Y. M. C. A. this evening.

The Y. M. C. A. Juniors play the Leislering Panthers here Saturday afternoon. The game will be at the "Y" gymnasium.

Connellsville Hi will meet another "tough" opponent Saturday night when the Greensburg losers come here for a game. Greensburg has been defeated by the strong Monessen team, but only by a slight margin and it is felt that the Cokers should be able to hold their own. Connellsville's dribblers played their last Tuesday game and with the schedule eased somewhat should close their season with a succession of wins.

The Unity Fraternity plays Capstan at South Connellsville tomorrow evening. The game is outside the league.

A meeting of the Board of Control of the City League has been called by President J. E. Struble for Friday evening at 6 o'clock. The meeting will be in Snyder's store in West Crawford avenue.

Length of Working Day as Practiced in Coal Industry

In 1903 the United States Geological Survey began the collection of statistics of the established working day at coal mines. In that year 26.5 per cent of the bituminous mine workers were employed at mines where the standard day was 10 hours; 17.1 per cent were employed at 8-hour mines; and the number of 8-hour day workers was 50.4 per cent of the total. The average working day in that year was 8.7 hours.

These figures, it will be understood, are not the average number of hours that men labor, but the average hours in the standard working day.
No great changes in the working day occurred in bituminous mines up to 1917. The average for that year showed only 8.4 per cent employed in 10-hour mines; 12.6 per cent in nine-hour mines; and reduced the average working day to 8.3 hours. The 8-hour day was even more generally adopted in 1918, when 90.6 per cent of the bituminous workers were employed in 8-hour mines. The statistics for 1919 indicate that 95.5 per cent of the mine workers now labor in mines where the eight-hour day is the rule. The number of workers in 10-hour mines was 6.127.

The anthracite mines now work an eight-hour day. Prior to March 31, 1916, the standard anthracite day was nine hours.

Coal Production in Canada.

The output of coal from Canadian mines during the nine months ending September, 1921, amounted to 10,700,000 short tons, as compared with 12,080,000 tons in the same period of 1920 and 9,150,000 tons in the preceding year.

MAGNESIA FINE FOR ACID STOMACH

Quickly Neutralizes Acidity; Stops
Fermentation, Sweetens the
Stomach.

Nine people in ten, when food upsets the stomach causing distress, think they are indigestion. In reality they are suffering from "acid stomach." An excess of acid in the stomach causes gas, heartburn, bloating and sourness. To have a strong, healthy stomach capable of easily and normally digesting three hearty meals a day you must keep the stomach as neutralized and the stomach contents sweet. No artificial sweeteners are necessary. Just get a few ounces of Magnesia from any good drug store and take a teaspoonful of the powder or two tablets a half glass of water right after eating or whenever the slightest pain is felt. The result is amazing and you will be delighted with the almost instant relief it brings. This famous stomach sweetener combines Magnesia and Bismuth in desirable proportion and is not only splendidly effective but perfectly harmless. Its regular use keeps the stomach sweet, strong and healthy all the time.

Disrupted Magnesia is well known to druggists everywhere and is used annually by more than a half million people who now eat as they please, in reason with no more fear of indigestion.—Advertisement.

Stomach Wrong?

Every sufferer from stomach trouble, gas, belching, sour stomach, nervousness, dizziness and flatulency, should get a box of M-O-Na stomach tablets, today and start a treatment. Guaranteed by A. A. Clarke.—Advertisement.

RED PEPPER HEAT STOPS BACHACHE

The heat of red peppers takes the "ouch" from a sore, lame back. It can not hurt you, and it certainly gets the torture at once.

When you are suffering so you can hardly get around, in a try Red Pepper Rub, and you will have the quick relief known. Nothing has such concentrated, penetrating heat as red peppers.

Just as soon as you apply Red Pepper Rub you will feel the tingling heat. In three minutes it warms the sore spot through and through. Pain and soreness are gone.

A-Many druggists for a jar of Rowles' Red Pepper Rub. Be sure to get the genuine, with the name Rowles on each package. Advertisement.

CORNS

Lift Off with Fingers

Doesn't hurt a bit! Drop a little "Freezone" on an itching corn, instantly that corn stops hurting, then shortly you lift it right off with the fingers. Truly!

Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the callous without soreness or irritation.—Advertisement.

Laying Hens Must Have Egg Mash and Scratch Feeds

It takes the combination to produce eggs. The old idea of feeding grains alone has been proved wrong. Grains are fattening and heat producing, but contain only a few of the ingredients necessary for egg-making.

In the Vitality Scratch Feed we sell, are combined, as economically as possible, all the body-building materials. In Vitality Egg Mash are egg-making ingredients, such as dried buttermilk, meat scraps, bone meal and finely ground alfalfa meal.

We know that these two high quality feeds will positively increase the egg production of your hens at a profit.

Scratch Feed Vitality Egg Mash

Your Money Back if They Fail

This is a guarantee of satisfaction which insures your getting good results, or there is no cost. Many poultrymen in this city and outlying country have used Vitality Feeds for several years and can tell you what they think of them. Ask us for their names.

Those who have fed Vitality are always glad to recommend it. These are feeds that are mixed according to chemical analysis at the factory, and the value of every ingredient is positively determined. That is why results are certain. Try them for a time and watch your hens lay.

THE SOLESON.

It is no easy task to man a canoe through the rapids of the rivers in the mountains of northern Oregon. It is doubly difficult to go through these rapids in a paddleless canoe and in great peril without a serious accident occurring. Yet this is just the feat that Prince Starks performed in "Flower of the North" today and Saturday at the Solson Theatre. This brave girl in peril of death in order to make one of the most thrilling scenes in the production. She overtook the canoe a hundred yards above the falls at a point where the water was rushing on at the rate of 35 miles an hour. For several hours she braved the current to save the life of Henry B. Worth.

THE LARAMOUNT.

The hero to swim out and rescue her. When the scene was completed and the two players were alone they were really exhausted and it required a rest of several hours before they were able to continue the scenes.

William Charles Calne has a record of his greatest screen work in "The Laramount" today.

STORE NEWS

North Pittsburg Street

To Help You Prepare For the Masonic Banquet

One's pose will depend so very much upon the way one is dressed that we must urge you to see the little cluster of evening gowns that are being displayed on the Second Floor today. They have been brought here for this very occasion. The mode demands a low waistline, an unaccentuated décolleté, flowing draperies and flying panels and very capably do these creations follow out this fashionable decree. The materials are the finest of the finest kind and the most soft and charming. The colors highest in favor are Sweet Pea, Green, American Beauty, Orchid, Orange and Black. Many are decorated with scintillating little sequins—glass beads that twinkle like so many stars in the light of a banquet chamber. The prices range \$35 to \$79.50.

For younger folk are the Flapper frocks in delicate pastel colors—Chestnut, soft Orange and kindred tints. They make unusually fetching party dresses with their flills and flouncings, French flowers, silver girdles and lucky sleeves. The favorite material is chiffon tulle. The prices range \$29.75 up.

Before the Ball

Milady knows full well that in the intimacy of her boudoir the fate of the evening will be decided. These are the little things needed—before the Ball—that she may be happy when the Ball is done.

A Corset—If Madame at Mademoiselle will please she must provide herself with a corset staunch enough to preserve her form and loose enough to allow her full freedom of action. Such corsets may be found greatly reduced in the Sale of White.

Underwear—Silk of a certain type when one must be as evasive in the bath as in the ceremonial details of one's appearance. Lisle silk bloomers are \$5.15. Cambric \$1.50 to \$1.75. Silk chemise \$2.95 to \$11.65. Second Floor.
